

Looking for an opportunity to use your radio and communications skills to help others and have an exciting weekend?

June 2nd & 3rd - Susquehannock Trail Performance Rally ([STPR](http://www.stpr.org)) - [Wellsboro, PA](#) (north central PA)

STPR is a race against the clock that takes about 14 hours to complete with competitors covering a total of 310 miles, including 125 competitive miles in 10 stages. Rally teams travel through two counties (Tioga and Potter) on generally smooth and twisty Pennsylvania State Forest roads, in cars that range from all-out race cars to highly modified street cars.

Check out an awesome opportunity at www.stpr.org!!! Base, portable, mobile, APRS, and packet operators are needed! Work indoors or outdoors! We invite you to bring your special skills and become one of the 400 plus volunteers including the 50+ hams that enjoy the sport, the competition, and the camaraderie of participation.

All Pre-registered volunteers will receive a souvenir event t-shirt, hat, collector pin, lunch voucher and event bumper sticker. ALL of the volunteers are invited to the Friday evening welcome party and After-event breakfast party and the awards presentation - and you get the best seat in the house from which to the rally! Including the famous water crossing, where the finish line is in the middle of Stony Fork Creek!!

Your license must be current, and you must bring a copy to show at registration. You must have a 2 meter radio, 25 watt MINIMUM with CTCSS (PL) tone capability. Bring your instruction manual (or copy) with you. If you RIDE in an official STPR vehicle, you will need a mobile radio, magnetic mount antenna and correct power connections.

If you are receiving this and you are not an Amateur Radio Operator, there are still many other jobs that need to be filled.

Rally Workers/Volunteers Info. Page: http://stpr.org/worker_info.html

On-Line Radio Sign-up form: </Forms/workers-radio.cgi>

For Radio - contact Robert Hill, WX3ROB - Communications Chief at comm@stpr.org

For all other volunteer positions – contact Krista Gassman at workers@stpr.org
