Membership dues support the Keuka Lake Amateur Radio Association: repeater maintenance, equipment updates, website, mailings, etc. Annual dues are \$18, and are prorated at \$1.50/month. All memberships expire on August 31<sup>st</sup> each year. Licensed paid members and their licensed immediate family members living at the same address may vote and/or hold office in the Keuka Lake Amateur Radio Association.

### Keuka Lake Amateur Radio Association

K.L.A.R.A. operates repeaters in New York's Southern Tier: 147.045 (-) located in Arkport/South Dansville; 147.33 (+) located near Jasper; and 145.190 (-) located in Bath. (PL 110.9) These repeaters are linked via our central hub: 442.950 located in Bath. We can also link to the other area repeater systems.

Our repeater system is open to all amateur operators. We welcome you to use it, and we encourage you to support it.

Meetings are held at 7:00 p.m. on the second Wednesday of the month, usually at the Civil Defense Training Center on Route 54 in Bath, NY. Any changes will be announced.

Our weekly informal net is held at 8:30 pm. Sunday nights. Everyone is welcome to check in. Please join us!

The mission of the Keuka Lake Amateur Radio Association is:

- To promote amateur radio and associated communications,
- To conduct programs and trainings that enhance the skills of the members,
- To educate the community and develop ties with disparate services,
- To provide emergency location-independent communications services and damage assessment by trained communications specialists, and
- To provide socialization and recreation, on a nonprofit basis, to the members and the community in connection with the communications sciences.
